Your firm bears the burden of providing detailed company information the Delaware DBE Program needs to make an appropriate NAICS code designation. If you have questions or concerns regarding your NAICS codes information, please do not hesitate to contact us. Additionally, if you believe that there is not a NAICS code that fully or clearly describes the type(s) of work in which you are performing, you may request that the DBE Program supplement the assigned NAICS code(s) with a clear, specific, and detailed narrative description of the type of work in which the firm is certified.

It remains your responsibility to inform DeIDOT, within 30 days of the occurrence, of any change in your ability to meet the federal size, disadvantaged status, ownership, and control requirements of Part 26, or any material change in the information you provided during your most recent review. Changes in management responsibility among members of the company are covered by this requirement. You must attach supporting documentation describing in detail the nature of such changes and the declaration must be sworn in writing and is executed under penalty of perjury of the laws of the United States.

Certification Renewal: It is your responsibility to submit your Annual No Change Affidavit and most recent business taxes each year within the month that you were originally certified via the Civil Rights Compliance Reporting System at <https://deldotcivilrights.dbesystem.com>. Here you will find the form(s) needed, as well as view pertinent information related to your certification and renewal date. These documents are to be submitted to DeIDOT every year on the certification anniversary date and shall specifically state that the firm continues to meet business size criteria and the overall gross receipts cap. Any firm that fails to provide any of the aforementioned in a timely manner will be deemed to have failed to cooperate under §26.109(c) and is subject to immediate disqualification from the DBE Program.
