Re: CFM Renewal

Dear Mr. Vyas:

Thank you for meeting the renewal requirements for the Certified Floodplain Manager (CFM®) Program. Your certification is valid for another two years. As you begin a new two-year period, after 1/31/2022, please continue to track Continuing Education Credits (CEC's) to maintain your ASFPM Certified Floodplain Manager standing.

The requirements to maintain your ASFPM CFM® Certification are:

- Over the two-year period, acquire 16 Continuing Education Credits (CEC's). CEC's may be submitted on an ongoing basis to the ASFPM Executive Office to avoid the possibility of not meeting the minimum CEC's requirement.
- On or before completion of the two years, submit the application and the appropriate fee* for renewal.

*The fee is determined by ASFPM Individual Membership status for the 2-year period.

A copy of the CEC verification form must be submitted for each course or training for which you seek credit. This form was previously sent to you but if you need copies, you may download it from ASFPM's website at www.floods.org

If at any time you have questions or concerns, please contact the ASFPM by email at cfm@floods.org

Sincerely,

Louis T. Greenwell, GISP, CFM
